November 13, 2024

Dear Stockholder:

You are cordially invited to attend a special meeting of stockholders (the “Special Meeting”) of Runway Growth Finance Corp. (the “Company”) to be held virtually on December 13, 2024 at 11:00 a.m. Central Time. The Special Meeting will be held solely on the Internet by virtual means. Only stockholders of record at the close of business on November 4, 2024 are entitled to the notice of, and to vote at, the Special Meeting, including any postponement or adjournment thereof.

The Notice of the Special Meeting and proxy statement accompanying this letter provide an outline of the business to be conducted at the meeting. At the meeting, you will be asked to approve the new investment management agreement (the “New Advisory Agreement”) between the Company and Runway Growth Capital LLC (the “Adviser”). The Adviser has advised the Company’s board of directors (the “Board”) that the Adviser has entered into a transaction pursuant to which a newly formed entity, RGC Group Acquisition, LLC (the “New Owner”), owned by BCP Special Opportunities Fund III Originations LP (“SOF III”), an investment fund affiliated with BC Partners Advisors L.P. (“BCPA”), will acquire all of the outstanding equity interests in the Adviser (the “Adviser Change in Control”). The consummation of the Adviser Change in Control will result in an assignment and corresponding termination of the current investment management agreement, dated as of April 7, 2021, between the Company and the Adviser (the “Existing Advisory Agreement”) in accordance with the requirements of the Investment Company Act of 1940, as amended (the “1940 Act”). Although the ownership of the Adviser will change in connection with the completion of the Adviser Change in Control, it is important to note that management of the Adviser is not changing in connection with the Adviser Change in Control, nor are the terms of the New Advisory Agreement compared to the Existing Advisory Agreement. The Adviser will continue to serve as the investment adviser to the Company and will be the counterparty to the New Advisory Agreement, as with the Existing Advisory Agreement. The proposed Adviser Change in Control is expected to close during the fourth fiscal quarter of 2024.

Stockholders of the Company are being asked to approve the New Advisory Agreement, the terms of which are identical to those contained in the Existing Advisory Agreement as described in the accompanying proxy statement. The 1940 Act requires that the New Advisory Agreement be approved by both a majority of the Company’s non-interested directors (the “Independent Directors”) and “a majority of the outstanding voting securities” of the Company, as that term is defined under the 1940 Act. While the Adviser Change in Control contemplates the transfer of all of the outstanding equity interests of the Adviser to the New Owner, the Company’s investment strategy and team, including the Company’s executive officers, are expected to remain unchanged, and the Adviser Change in Control is not expected to have a material impact on the Company’s operations. As a result, to prevent any disruption in the Adviser’s ability to provide services to the Company once that assignment is deemed to occur as a result of the Adviser Change in Control, the Company is seeking stockholder approval of the New Advisory Agreement. All terms will remain unchanged from the Existing Advisory Agreement. The Board, including all of the Independent Directors, has unanimously approved the New Advisory Agreement and believes it to be in the best interests of the Company and its stockholders.

In evaluating the New Advisory Agreement, the Board requested, and received, information and materials regarding the Adviser and its affiliates. The Board believes that the Company and its stockholders will benefit because it will allow the Adviser to continue to provide investment advisory services to the Company and allow the Adviser to combine its existing platform with BCPA’s larger platform to increase investment opportunities for the Company, improve the execution of the Company’s investment strategy and potentially reduce expenses through economies of scale. The Board and the Company’s management further believe that the features below are key elements of the Adviser Change in Control that will be beneficial to the Company’s stockholders:

- Consistency in leadership: Following the Adviser Change in Control, the Company's current management team will remain in their roles with the access and ability to add key resources to execute and expand its venture/growth lending strategy;
- Augmented access to capital: The Company may have enhanced access to capital as a part of the BCPA credit platform, which would provide capacity to invest across the liquidity spectrum, deploy additional leverage, and participate in larger, later-stage transactions with attractive risk return profiles;
- Enhanced product solutions: With the ability to coinvest with BCPA platform funds, the Company believes it will be able to offer a wider range of comprehensive debt and other capital solutions;
- Expanded origination channels: Access to BCPA's broad investment platform positions the Company to potentially expand origination channels, strengthen sourcing capabilities, and access a broader range of investment opportunities designed to enhance the Company's stockholder value.

Your vote is very important. The Board unanimously recommends that you vote "FOR" the approval of the New Advisory Agreement.

[The Company has elected to provide access to its proxy materials to certain of its stockholders over the internet under the Securities and Exchange Commission's (the "SEC") "notice and access" rules.] On or about November 13, 2024, the Company intends to mail to most of its stockholders a Notice of Internet Availability of Proxy Materials containing instructions on how to access the proxy statement and annual report on Form 10-K for the year ended December 31, 2023 (the "Annual Report"), and how to submit proxies over the internet. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy statement and proxy card unless you request them. All other stockholders will receive a copy of the proxy statement and Annual Report by mail. The Notice of Internet Availability of Proxy Materials also contains instructions on how you can elect to receive a printed copy of the proxy statement and Annual Report. The Company believes that providing its proxy materials over the internet will expedite stockholders' receipt of proxy materials, lower the costs associated with the Special Meeting, and conserve resources.

It is important that your shares be represented at the Special Meeting, and you are encouraged to vote your shares as soon as possible. The proxy card contains instructions for voting over the Internet by electronic mail or by returning your proxy card via mail in the envelope provided. If you are unable to attend the Special Meeting in person (*i.e.*, virtually), I urge you to vote your shares by completing, dating and signing the enclosed proxy card and promptly returning it in the envelope provided, or follow the instructions printed on the Notice of Internet Availability of Proxy Materials or the proxy card to authorize a proxy through the internet. Your vote is important.

We look forward to seeing you at the Special Meeting.

Sincerely yours,

/s/ R. David Spreng

As further described in the Proxy Statement accompanying this Notice, based on a consideration of all the factors in their totality, the Board, including each of the independent directors, unanimously determined that the New Advisory Agreement, including the fees payable under the New Advisory Agreement, is fair and reasonable to the Company. **THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, THEREFORE UNANIMOUSLY DETERMINED THAT THE APPROVAL OF THE NEW ADVISORY AGREEMENT WAS IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS, AND UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE NEW ADVISORY AGREEMENT PROPOSAL.**

In connection with the New Advisory Agreement Proposal, there will not be any changes to the terms, including the fee structure and services to be provided, of the investment management agreement between the Company and the Adviser currently in effect (the “Existing Advisory Agreement”) compared to the New Advisory Agreement, other than the date and term of the New Advisory Agreement. In addition to there being no changes to the fee structure, no other fees or expenses currently paid by the Company will change pursuant to the New Advisory Agreement. The Adviser will continue to serve as the investment adviser to the Company and will be the counterparty to the New Advisory Agreement, as with the Existing Advisory Agreement.

**PROXY STATEMENT
FOR THE SPECIAL MEETING OF STOCKHOLDERS
To Be Held On December 13, 2024**

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why am I receiving these materials?

We have sent you this Proxy Statement and the enclosed proxy card because the board of directors (the “Board”) of Runway Growth Finance Corp. (“we,” “us,” or the “Company”) is soliciting your proxy to vote at the special meeting of the Company’s stockholders to be held on December 13, 2024 (the “Special Meeting”), including adjournments or postponements thereof, if any.

On October 31, 2024, the Company announced that Runway Growth Capital LLC (the “Adviser”) has entered into a transaction pursuant to which a newly formed entity, RGC Group Acquisition, LLC (the “New Owner”), owned by BCP Special Opportunities Fund III Originations LP (“SOF III”), an investment fund affiliated with BC Partners Advisors L.P. (“BCPA”), will acquire all of the outstanding equity interests in the Adviser (the “Adviser Change in Control”). The consummation of the Adviser Change in Control will result in an assignment and corresponding termination of the current investment management agreement, dated as of April 7, 2021, between the Company and the Adviser (the “Existing Advisory Agreement”) in accordance with the requirements of the Investment Company Act of 1940, as amended (the “1940 Act”).

You are invited to attend the Special Meeting to vote on the proposed investment management agreement between the Company and the Adviser described in this Proxy Statement. The Special Meeting will take place through a live webcast, which you can attend by visiting www.virtualshareholdermeeting.com/RWAY2024SM. However, you do not need to attend the Special Meeting through the webcast to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, or follow the instructions below to vote by proxy over the telephone or through the Internet prior to the Special Meeting.

We intend to mail these materials on or about November 13, 2024 to all stockholders of record entitled to vote at the Special Meeting.

YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, PLEASE PROMPTLY VOTE YOUR SHARES EITHER BY MAIL, BY TELEPHONE, OR THROUGH THE INTERNET.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE SPECIAL MEETING TO BE HELD ON DECEMBER 13, 2024:

The Notice of Special Meeting and this Proxy Statement are available at the following Internet address: www.proxyvote.com.

How can I attend the Special Meeting?

The Special Meeting will be held on December 13, 2024, at 11:00 a.m. Central Time, virtually, in a live webcast on the website www.virtualshareholdermeeting.com/RWAY2024SM where you will be able to vote your shares during the meeting and submit any questions. You will need to enter the 16-digit control number included on your proxy card or in the instructions that accompany your proxy materials to enter the meeting. If you experience technical difficulties in attending the meeting virtually, please dial the toll-free support number listed on the website for assistance.

Who can vote at the Special Meeting?

Only holders of record of our common stock at the close of business on November 4, 2024 will be entitled to vote at the Special Meeting. On the record date, there were [•] shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If at the close of business on November 4, 2024, your shares were registered directly in your name with our transfer agent, Equiniti Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote at the Special Meeting. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or through the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Held in the Name of a Broker, Bank, Nominee, or other Similar Organization

If at the close of business on November 4, 2024, your shares were held, not in your name, but in an account at a brokerage firm, bank, dealer, or other similar organization or nominee (collectively, a “Brokerage Firm”), then you are the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by that Brokerage Firm because the Brokerage Firm holding your account or its nominee is considered to be the stockholder of record for purposes of voting at the Special Meeting. As a beneficial owner, you have the right to direct your Brokerage Firm regarding how to vote the shares in your account. You are also invited to attend the Special Meeting via live webcast on the website: www.virtualshareholdermeeting.com/RWAY2024SM. As a beneficial owner, you may vote at the Special Meeting.

What am I voting on?

The Company’s stockholders are being asked to vote on two proposals at the Special Meeting:

1. To approve a new investment advisory agreement (the “New Advisory Agreement”) between the Company and the Adviser (the “New Advisory Agreement Proposal”); and
2. To approve the adjournment of the Special Meeting, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve the New Advisory Agreement (the “Adjournment Proposal”).

Why am I being asked to vote on the New Advisory Agreement?

The Company currently receives investment advisory services from Runway Growth Capital LLC pursuant to the Existing Advisory Agreement. On October 31, 2024, the Company announced that Runway Growth Capital LLC has entered into an agreement and plan of merger (the “Merger Agreement”) pursuant to which a newly formed entity, RGC Group Acquisition, LLC (the “New Owner”), owned by BCP Special Opportunities Fund III Originations LP (“SOF III”), an investment fund affiliated with BC Partners Advisors L.P. (“BCPA”) will acquire all of the outstanding equity interests in the Adviser. The consummation of the Adviser Change in Control will result in an assignment and corresponding termination of the Existing Advisory Agreement in accordance with the requirements of the 1940 Act. The Company is not a party to the Merger Agreement relating to the Adviser Change in Control. The Adviser will continue to serve as the investment adviser to the Company and will be the counterparty to the New Advisory Agreement.

Section 2(a)(4) of the 1940 Act provides that the transfer of a controlling interest of an investment adviser, such as will be caused by the Adviser Change in Control, constitutes an “assignment.” Section 15(a) of the 1940 Act provides that an investment management contract terminates on its “assignment.” Accordingly, in order to permit the Adviser to continue to provide investment advisory services to the Company after the closing of the Adviser Change in Control, a new investment management agreement must be approved by (A) the Board, including a majority of the members of the Board who are not affiliated with either the Company or the Adviser and who are not otherwise “interested persons” as defined in Section 2(a)(19) of the 1940 Act (the “Independent Directors”), and (B) the Company’s stockholders by the affirmative vote of the lesser of (1) 67% or more of the shares of the Company’s stock present or represented by proxy and entitled to

vote at the Special Meeting if the holders of more than 50% of the outstanding shares are present or represented by proxy and entitled to vote at the Special Meeting and (2) more than 50% of the outstanding shares of the Company's stock present or represented by proxy and entitled to vote at the Special Meeting. The Adviser and the New Owner have requested that the Board approve the New Advisory Agreement and that the Board seek stockholder approval of the New Advisory Agreement. A copy of the proposed form of the New Advisory Agreement, as approved by the Board, is attached to this Proxy Statement as Exhibit A. All terms of the New Advisory Agreement are unchanged from the Existing Advisory Agreement.

In evaluating the New Advisory Agreement, the Board reviewed and discussed certain materials furnished separately by the Adviser and SOF III and certain other information that the Board deemed relevant. The Board reviewed and discussed these materials at several meetings and believes approving the New Advisory Agreement is in the best interests of the Company and its stockholders for the reasons described in the section of this Proxy Statement below captioned "***Certain Board of Directors Considerations Regarding the Approval of the New Advisory Agreement.***" The Board, including a majority of the Independent Directors, has unanimously approved the New Advisory Agreement and has deemed entry into such agreement to be in the best interests of the Company and its stockholders. The Company is now seeking stockholder approval of the New Advisory Agreement.

Who is BC Partners Advisors L.P.?

BCPA, an affiliate of BC Partners LLP ("BC Partners"), is an investment adviser registered with the SEC under the Investment Advisers Act of 1940, as amended. BCPA serves as investment adviser to a privately offered BDC and is responsible for managing such BDC's business activities, including sourcing investment opportunities, conducting research, performing diligence on potential investments, structuring investments, and monitoring portfolio companies on an ongoing basis through a team of investment professionals. BCPA also manages other private funds within the BC Partners credit platform, along with several separate managed accounts focused on credit investments.

BC Partners is a leading private equity firm with an over 30-year track record investing in the buyout space across North America and Europe. BC Partners' assets under management are based on actively managed commitments of its managed funds and relevant vehicles formed for the purpose of co-investing alongside such funds. BC Partners operates a private equity investment platform, a credit investment platform, and a real estate investment platform as fully integrated businesses.

Who is SOF III?

SOF III is a private fund advised by BCPA, an affiliate of BC Partners. SOF III, the parent of the New Owner, has over \$1.0 billion in committed capital and a ten year fund life, providing ample capital quantum and duration in order to fund existing and new initiatives (including, but not limited, to personnel investments, GP commit funding, and M&A).

Under the proposed structure, the Adviser will become an indirect, wholly owned subsidiary of SOF III. At the same time, SOF III will purchase Runway Management Services, Inc., which employs personnel of the Adviser, compensates the employees, and provides employee benefits through third party benefit provider contracts. SOF III will also enter into certain agreements with the managing principles and majority stockholders of the Adviser, including restrictive covenant agreements and new employment agreements.

Who is the New Owner?

The New Owner is an indirectly-held subsidiary of SOF III. Affiliates of the New Owner manage other publicly-traded business development companies ("BDCs"), such as Portman Ridge Finance Corporation ("Portman Ridge") and Logan Ridge Finance Corporation ("Logan Ridge").

How does the Adviser Change in Control benefit the Company's stockholders?

The Board and management believe that the Adviser Change in Control is consistent with the Company's long-term strategy of aligning its investment capabilities to create value for stockholders. The Board and management further believe that the Company will benefit from BCPA's platform by (i) seeking to leverage

BCPA's investor relations and business development function to assist in raising additional investable capital for the Company's lending platform; (ii) seeking to provide the Company with access to additional capital from BCPA's platform that will allow the Company to participate in larger transactions, and (iii) seeking to leverage BCPA's administrative, back-office and support platform to drive operational efficiencies as well as processes and procedures to assist in the Company's future growth. Additionally, the Board and management believe (i), (ii) and (iii) above will benefit the Company by allowing it to participate in larger investment opportunities, thereby expanding the pool of potential investment opportunities.

What are the impacts to the Company's stockholders of the approval of the New Advisory Agreement?

In connection with the Adviser Change in Control, the Adviser will become part of a significantly larger investing platform. The Company and the Adviser will continue to operate their business under the "Runway" name, and current management will continue to manage the Company's business. The Board and management believe that the impact of the approval of the New Advisory Agreement to stockholders will be beneficial to stockholders because it will allow the Adviser to continue to provide investment advisory services to the Company and allow the Company to combine its existing platform with BCPA's larger platform to increase investment opportunities, improve the execution of the Company's investment strategy and potentially reduce expenses through economies of scale.

What are the conditions to the closing of the Adviser Change in Control?

The obligation of the parties to close the Adviser Change in Control under the Merger Agreement is subject to customary conditions, including, without limitation: (1) the approval by the Company's stockholders of the New Advisory Agreement and (2) the accuracy of representations and warranties and compliance with covenants and agreements contained in the Merger Agreement (in each case, subject to certain qualifications.)

[An additional Independent Director, meaning a director who is not an "interested person" of the Company as defined in Section 2(a)(19) of the 1940 Act, will be appointed before the closing of the Adviser Change in Control, resulting in 75% of the members of the Board being Independent Directors.] This will cause the Company to comply with the "safe harbor" included in Section 15(f) of the 1940 Act. Section 15(f) provides that when a sale of securities or any other interest in an investment adviser occurs, the investment adviser or any of its affiliated persons may receive any amount or benefit in connection with the sale so long as two conditions are satisfied. These conditions are as follows:

- First, during the three (3)-year period following the consummation of a transaction, at least 75% of the investment company's board of directors must be comprised of Independent Directors. The Board is expected to meet this requirement at the time of the consummation of the Adviser Change in Control, and for the three (3)-year period thereafter.
- Second, an "unfair burden" must not be imposed on the investment company as a result of the Adviser Change in Control relating to the sale of such interest, or any of its applicable express or implied terms, conditions or understandings. The term "unfair burden," as defined in the 1940 Act, includes any arrangement, during the two (2)-year period after the date on which any such transaction occurs, whereby the investment adviser or corporate trustee or predecessor or successor investment advisers or any interested person of any such adviser or any such corporate trustee receives or is entitled to receive any compensation directly or indirectly (i) from any person in connection with the purchase or sale of securities or other property to, from, or on behalf of such company, other than bona fide ordinary compensation as principal underwriter for such company, or (ii) from such company or its security holders for other than bona fide investment advisory or other services. The Board considered whether an unfair burden would be imposed on the Company as a result of the Adviser Change in Control and found that it was unaware of any arrangements that would constitute an unfair burden as that term is defined in the 1940 Act.

How will the Company's relationship with Oaktree impacting voting for the New Advisory Agreement Proposal?

In connection with the strategic relationship between Oaktree Capital Management, L.P. ("Oaktree") and the Adviser, as described in the Company's quarterly reports on Form 10-Q, annual reports on Form 10-K,

and proxy statements, affiliates of Oaktree acquired shares of the Company in its initial and second private offerings, and in subsequent secondary transactions. As of the record date, an affiliate of Oaktree currently owns approximately [28.4]% of the Company's outstanding shares of common stock. Pursuant to an irrevocable proxy, certain shares held through an affiliate of Oaktree must be voted in the same proportion that the Company's other stockholders vote their shares. Other than the foregoing, there are no agreements with the Company's 5% or more stockholders to vote for the New Advisory Agreement Proposal. Of the [10,779,668] shares of the Company's common stock owned by an affiliate of Oaktree, [10,294,926] shares, or approximately [27]% of the Company's outstanding shares, are subject to this proxy voting arrangement.

What will happen if the New Advisory Agreement Proposal is not approved?

If the Company's stockholders do not approve the New Advisory Agreement Proposal, the Existing Advisory Agreement with the Adviser will remain in effect until the Adviser Change in Control is consummated. Additionally, if the Company's stockholders do not approve the New Advisory Agreement Proposal, the parties to the agreement providing for the Adviser Change in Control are not required to complete the Adviser Change in Control. If the Adviser Change in Control does not close for any reason, the Company will continue to operate pursuant to the Existing Advisory Agreement. If the Adviser Change in Control is consummated and the New Advisory Agreement Proposal is not approved by the Company's stockholders, the Board may consider alternatives, including but not limited to approving an investment advisory agreement with a different investment adviser or liquidating the Company.

Has the Board considered whether the New Advisory Agreement is in the best interests of the Company and its stockholders?

As further described below under *Proposal 1—Approval of New Advisory Agreement—Certain Board of Directors Considerations Regarding the Approval of the New Advisory Agreement*, based on a careful consideration of all the factors in their totality, the Board, including each of the independent directors, unanimously determined that the New Advisory Agreement, including the fees payable under the agreement, is fair and reasonable to the Company. The Board also considered the potential benefits of the approval of the New Advisory Agreement discussed under the caption, *What are the impacts to the Company's stockholders of the approval of the New Advisory Agreement?* The Board, including each of the independent directors, therefore unanimously determined that the approval of the New Advisory Agreement is in the best interests of the Company and its stockholders, and unanimously recommends a vote "FOR" the New Advisory Agreement Proposal.

How will the Company be managed following the Adviser Change in Control?

Following the closing of the Adviser Change in Control, the Company expects to continue to be managed by the officers managing the Adviser as of the date hereof. The Company expects the Adviser to manage the Company's investment portfolio in a manner consistent with the Company's existing investment strategy.

Will there be any changes to the Company's principal investment objective, investment strategies, fundamental investment restrictions, principal risks, or any change to how the Company is managed as a result of entry into the New Advisory Agreement?

No. There will be no changes to the Company's principal investment objective, investment strategies, fundamental investment restrictions, principal risks, or any change to how the Company is managed, as a result of entry into the New Advisory Agreement.

Are there any material changes between the Existing Advisory Agreement and the New Advisory Agreement?

As further described below under *Proposal 1—Approval of New Advisory Agreement*, there are no changes to the terms, including the fee structure and services to be provided, in the Existing Advisory Agreement compared to the fee structure and services to be provided under the New Advisory Agreement, other than the date and term of the New Advisory Agreement as compared to the Existing Advisory Agreement. In addition to there being no changes to the fee structure, no other fees or expenses currently paid by the Company will change as a result of entry into the New Advisory Agreement.

Will the management fees payable by the Company change under the New Advisory Agreement?

No. The management fees proposed to be payable by the Company under the New Advisory Agreement are the same as the management fees payable under the Existing Advisory Agreement. For additional details regarding the fees payable by the Company under the New Advisory Agreement, please refer to the section of this Proxy Statement below captioned *Information Regarding the New Advisory Agreement; Comparison of the Existing Advisory Agreement and New Advisory Agreement*.

Who will bear the expenses associated with completing the Adviser Change in Control?

The Adviser will bear the expenses associated with completing the Adviser Change in Control. The Company will not bear any costs associated with completing the Adviser Change in Control.

What will the Company's stockholders receive in the Adviser Change in Control?

The Company is not a party to the Merger Agreement and neither the Company nor its stockholders will receive consideration from the Adviser or the New Owner in connection with the Adviser Change in Control.

- To vote by proxy through the Internet, go to www.proxyvote.com to complete an electronic proxy card. You will be asked to provide the 16-digit control number included on the enclosed proxy card. To be counted, we must receive your vote by 11:59 p.m. Eastern Time on December 12, 2024, the day prior to the Special Meeting.

Beneficial Owner: Shares Held in the Name of Broker, Bank, Nominee, or other Similar Organization

If you are a beneficial owner of shares registered in the name of your Brokerage Firm, you should have received a proxy card and voting instructions with these proxy materials from that organization, rather than from us. Simply follow the instructions provided by your Brokerage Firm to ensure that your vote is counted. To vote virtually during the live webcast of the Special Meeting, enter your 16-digit control number on the enclosed proxy card. All votes must be received by the inspectors of election appointed for the meeting before the polls close at the Special Meeting.

How many votes do I have?

On all matters that properly come before the Special Meeting, you have one vote for each share of common stock that you owned as of the close of business on November 4, 2024.

How are votes counted?

Votes will be counted by the inspectors of election appointed for the Special Meeting, who will separately count “FOR,” “AGAINST” and “ABSTAIN” votes. The effects of abstentions on each proposal are described below under the question “How many votes are needed to approve each proposal?”

How many votes are needed to approve each proposal?

Approval of the New Advisory Agreement requires the affirmative vote of a “majority of the outstanding voting securities” of the Company. Under the 1940 Act, a “majority of outstanding voting securities” means the affirmative vote of the lesser of (a) 67% or more of the shares of the Company’s common stock present or represented by proxy at the Special Meeting if the holders of more than 50% of the outstanding shares of the Company’s common stock are present or represented by proxy at the Special Meeting or (b) more than 50% of the outstanding shares of common stock of the Company.

Abstentions will have the effect of a vote “AGAINST” the New Advisory Agreement Proposal.

If the New Advisory Agreement Proposal is approved by the Company’s stockholders, the New Advisory Agreement will be entered into on the Effective Date (as defined below) by the relevant parties. If the New Advisory Agreement Proposal is not approved by the Company’s stockholders, the Board will consider alternatives for the Company, potentially including seeking subsequent approval of a different new investment advisory agreement by the Company’s stockholders.

Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority of shares of the Company’s common stock present (in person or virtually) or represented by proxy and entitled to vote on the matter.

Abstentions will have the same effect as a vote “AGAINST” the Adjournment Proposal.

What are “broker non-votes?”

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the Brokerage Firm or nominee holding the shares. If the beneficial owner does not provide voting instructions, the Brokerage Firm or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters.

Please note that to be sure your vote is counted on the New Advisory Agreement Proposal, you should instruct your Brokerage Firm how to vote your shares. Because the New Advisory Agreement Approval is a non-routine proposal, your Brokerage Firm is not entitled to vote your shares without your instructions with respect to the approval of the New Advisory Agreement. Thus, if you do not vote or give your Brokerage Firm specific instructions on how to vote for you regarding the New Advisory Agreement Proposal, your Brokerage Firm cannot vote with respect to the New Advisory Agreement Proposal and your shares will not be treated as present for quorum purposes. Broker non-votes, if any, will have no effect on the vote for the Adjournment Proposal.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if a majority of all of our outstanding shares of common stock are represented by stockholders present at the Special Meeting or by proxy. On the record date there were [•] shares of common stock outstanding and entitled to vote. Thus, [•] shares must be represented by stockholders present at the Special Meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your Brokerage Firm or other nominee) or if you vote in person at the Special Meeting. Abstentions will be counted towards the quorum requirement. If a broker or other recordholder attempts to give us any proxy authority with respect to uninstructed shares, we will not consider those shares present for quorum or any other purposes. If there is no quorum, the stockholders present and entitled to vote at the Special Meeting may adjourn the Special Meeting to another date.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Special Meeting. If you wish to revoke your proxy after 11:59 p.m. Eastern Time on December 12, 2024, you may only do so at the Special Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date specified thereon.
- You may grant a subsequent proxy by telephone or through the Internet through www.proxyvote.com on a later date.
- You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at 205 N. Michigan Ave., Suite 4200, Chicago IL.
- You may attend the Special Meeting and vote virtually during the live webcast. Simply attending the Special Meeting will not, by itself, revoke your proxy.

If your shares are held by your Brokerage Firm, you should follow the instructions provided by your broker or bank.

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts at your Brokerage Firm(s). Please follow the voting instructions on the proxy cards in each set of the proxy materials to ensure that all of your shares are voted.

How can I find out the results of the voting at the Special Meeting?

Preliminary voting results will be announced at the Special Meeting. Final voting results will be published in a Current Report on Form 8-K that we will file with the U.S. Securities and Exchange Commission (“SEC”) within four business days after the Special Meeting. If final voting results are not available to us to timely file a Current Report on Form 8-K, we intend to file a Current Report on Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Current Report on Form 8-K to publish the final results.

Who is paying for this proxy solicitation?

The Adviser will bear the cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the proxy card and any additional information furnished to stockholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and other custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. The Company intends to use the services of Broadridge to aid in the distribution and collection of proxies for an estimated fee of approximately \$22,500 plus pass through charges (encompassing standard out of pocket expenses incurred by Broadridge). Broadridge’s fees for distributions and collection of proxies and pass through charges will be paid by the Adviser and such fees and expenses will not be subject to recoupment. Broadridge could contact you by telephone on behalf of the Company and urge you to vote. Broadridge will not attempt to influence how you vote your shares, but will only ask that you take the time to cast a vote. The Adviser may reimburse persons representing beneficial owners of the Company’s common stock for their costs of forwarding solicitation materials to such beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, electronic or personal solicitation by directors, officers or other regular employees of the Adviser. No additional compensation will be paid to directors, officers or other regular employees for such services. In addition to these written proxy materials, our officers and directors may also

solicit proxies in person, by telephone or by other means of communication; however, our officers and directors will not be paid any additional compensation for soliciting proxies.

What proxy materials are available on the Internet?

The Notice of the Special Meeting and Proxy Statement are also available at www.proxyvote.com.

Who can I call with questions?

If you have any questions about the Special Meeting, voting or your ownership of the Company's common stock, please contact our solicitor, Broadridge Financial Solutions at 1-855-643-5292.

PROPOSAL 1: APPROVAL OF THE NEW ADVISORY AGREEMENT

We are asking the Company's stockholders to approve an investment management agreement between the Company and the Adviser (the "New Advisory Agreement"), pursuant to which the Adviser will continue to serve as the Company's investment adviser following the Adviser Change in Control (as defined below).

Background

On October 31, 2024, the Company announced that Runway Growth Capital LLC (the "Adviser") has entered into an agreement and plan of merger (the "Merger Agreement") pursuant to which a newly formed entity, RGC Group Acquisition LLC (the "New Owner"), owned by an investment fund affiliated with BC Partners Advisors L.P. ("BCPA") will acquire all of the outstanding equity interests in the Adviser (the "Adviser Change in Control"). The consummation of the Adviser Change in Control will result in an assignment and corresponding termination of the current investment management agreement, dated as of April 7, 2021, between the Company and the Adviser (the "Existing Advisory Agreement") in accordance with the Investment Company Act of 1940, as amended (the "1940 Act").

All employees of the Adviser, including all of the investment professionals currently managing the Company, as well as the members of the Adviser's Investment Committee, will continue managing the Company. The Adviser expects that its investment process will remain substantially the same following the Adviser Change in Control and will be enhanced because of the resources of BCPA that will be available following the Adviser Change in Control.

The Existing Advisory Agreement, as required by Section 15 of the 1940 Act, provides for its automatic termination in the event of its "assignment" (as defined in the 1940 Act). The consummation of the Adviser Change in Control will result in an assignment of the Existing Advisory Agreement and therefore cause the automatic termination of the Existing Advisory Agreement. Contingent upon stockholder approval of the New Advisory Agreement and the consummation of the Adviser Change in Control, the Adviser will enter into a new investment management agreement with the Company in order to continue to serve as investment adviser to the Company. The consummation of the Adviser Change in Control is subject to certain terms and conditions, including, among others, approval of the New Advisory Agreement by the Company's stockholders, to take effect immediately after the closing of the Adviser Change in Control, and the receipt of required regulatory and other approvals. If each of the terms and conditions is satisfied or waived, the parties to the Merger Agreement anticipate that the closing of the Adviser Change in Control will occur in the fourth quarter of 2024.

SOF III is a private fund advised by BCPA, an affiliate of BC Partners LLP. SOF III, the parent of New Owner, has over \$1.0 billion in committed capital and a ten year fund life, providing ample capital quantum and duration in order to fund existing and new initiatives (including, but not limited to, personnel investments, GP commit funding, or M&A).

Under the proposed structure, the Adviser will become an indirect wholly owned subsidiary of SOF III. At the same time, SOF III will purchase Runway Management Services, Inc., which employs personnel of the Adviser, compensates the employees, and provides employee benefits through third party benefit provider contracts. SOF III will also enter into certain agreements with the managing principles and majority stockholders of the Adviser, including restrictive covenant agreements and new employment agreements.

Affiliates of the New Owner manage other publicly-traded BDCs, such as Portman Ridge and Logan Ridge.

Management of the Adviser believes that the Adviser Change in Control will combine the benefits of the extensive experience of the Adviser's investment professionals with the resources of BCPA. The Adviser expects that, following the Adviser Change in Control, the Adviser will benefit from the New Owner's access to greater scale and resources that will help to provide the Company with a more complete solution to a broader cross-section of middle-market companies. The Adviser believes that following the Adviser Change in Control, its ability to source transaction flow for the Company across a variety of deal source channels will be enhanced, while also ensuring the continuity of management and operations. The Adviser believes that the Adviser Change in Control will also attract additional highly talented investment advisory personnel and the Adviser will benefit from BCPA's significant technology capabilities and innovative investment infrastructure.

Additionally, with BCPA's resources, the Adviser expects that it will achieve a more efficient cost structure following the Adviser Change in Control.

Information Regarding the Adviser and the Existing Advisory Agreement

On November 29, 2016, the Company's Board approved an investment management agreement between the Adviser and the Company, under which the Adviser, subject to the overall supervision of the Board, manages the day-to-day operations of and provides investment advisory services to the Company (together with a subsequent amendment thereto, the "Prior Advisory Agreement"). On August 3, 2017, the Board approved certain amendments to the Prior Advisory Agreement (the "First Amended and Restated Advisory Agreement") and recommended that the Company's stockholders approve the First Amended and Restated Advisory Agreement. The First Amended and Restated Advisory Agreement became effective on September 12, 2017 upon approval by the Company's stockholders at a special meeting of stockholders of the Company.

On April 7, 2021, the Board approved certain additional amendments to the First Amended and Restated Advisory Agreement (the "Existing Advisory Agreement") at a virtual meeting and recommended that the Company's stockholders approve the Existing Advisory Agreement. In reliance upon certain exemptive relief granted by the SEC in connection with the global COVID-19 pandemic, the Board undertook to ratify the Existing Advisory Agreement at its next in-person meeting, which was held in July 2021. The Existing Advisory Agreement became effective on May 27, 2021 upon approval by the Company's stockholders at a special meeting of stockholders of the Company. The Existing Advisory Agreement amended the First Amended and Restated Advisory Agreement to include certain revisions to the management and incentive fee calculation mechanisms and clarify language relating to liquidity events. On April 30, 2024, the Board renewed the Existing Advisory Agreement for a period of twelve months commencing May 27, 2024. Under the terms of the Existing Advisory Agreement, the Adviser:

- determines the composition of the Company's portfolio, the nature and timing of the changes to the portfolio and the manner of implementing such changes;
- identifies, evaluates and negotiates the structure of the investments the Company makes;
- executes, closes and monitors the investments the Company makes;
- determines the securities and other assets that the Company will purchase, retain or sell;
- performs due diligence on prospective investments; and
- provides the Company with other such investment advisory, research and related services as the Company may, from time to time, reasonably require for the investment of its funds.

Pursuant to the Existing Advisory Agreement, the Company pays the Adviser a fee for its investment advisory and management services consisting of two components—a base management fee and an incentive fee. The cost of both the base management fee and incentive fee are ultimately borne by the Company's stockholders.

Because the Company is seeking stockholder approval of proposals that affect the Existing Advisory Agreement, additional detail is provided below regarding the Adviser and the terms of the Existing Advisory Agreement:

Base Management Fee Payable Under the Existing Advisory Agreement

The base management fee is payable on the first day of each calendar quarter and is calculated on the Company's "Gross Assets" which, for purposes of the Existing Advisory Agreement, is defined as the Company's gross assets, including assets purchased with borrowed funds or other forms of leverage, as well as any PIK interest, as of the end of the most recently completed fiscal quarter. The base management fee is an amount equal to 0.375% (1.50% annualized) of the Company's average daily Gross Assets during the most recently completed calendar quarter, so long as the aggregate amount of the Company's Gross Assets as of the end of the most recently completed calendar quarter is equal to or greater than \$1.0 billion. If the aggregate amount of the Company's Gross Assets as of the end of the most recently completed calendar quarter is less than \$1.0 billion but equal to or greater than \$500.0 million, the base management fee is an amount equal to

0.40% (1.60% annualized) of the Company's average daily Gross Assets during the most recently completed calendar quarter. If the aggregate amount of the Company's Gross Assets as of the end of the most recently completed calendar quarter is less than \$500.0 million, the base management fee is an amount equal to 0.4375% (1.75% annualized) of the Company's average daily Gross Assets during the most recently completed calendar quarter.

Incentive Fee Payable Under the Existing Advisory Agreement

The incentive fee, which provides the Adviser with a share of the income that it generates for the Company, consists of an investment-income component and a capital-gains component, which are largely independent of each other, with the result that one component may be payable even if the other is not.

Under the investment-income component (the "Income Incentive Fee"), the Company pays the Adviser each quarter an incentive fee with respect to the Company's pre-incentive fee net investment income ("Pre-Incentive Fee NII"). The Income Incentive Fee is calculated and payable quarterly in arrears based on the Pre-Incentive Fee NII for the immediately preceding fiscal quarter. Payments based on Pre-Incentive Fee NII will be based on the Pre-Incentive Fee NII earned for the quarter. For this purpose, "Pre-Incentive Fee NII" means interest income, dividend income and any other income (including any other fees, such as commitment, origination, structuring, diligence, managerial and consulting fees or other fees that the Company receives from portfolio companies) that the Company accrues during the fiscal quarter, minus the Company's operating expenses for the quarter (including the base management fee, expenses payable under the amended and restated administration agreement with Runway Administrator Services LLC, and any dividends paid on any issued and outstanding preferred stock, but excluding the incentive fee). Pre-Incentive Fee NII includes, in the case of investments with a deferred interest feature (such as OID accretion, debt instruments with pay in kind interest and zero coupon securities), accrued income the Company has not yet received in cash; provided, however, that the portion of the Income Incentive Fee attributable to deferred interest features is paid only if and to the extent received in cash, and any accrual thereof will be reversed if and to the extent such interest is reversed in connection with any write off or similar treatment of the investment giving rise to any deferred interest accrual, applied in each case in the order such interest was accrued. Such subsequent payments in respect of previously accrued income will not reduce the amounts payable for any quarter pursuant to the calculation of the Income Incentive Fee described above. Pre-Incentive Fee NII does not include any realized or unrealized capital gains (losses).

Pre-Incentive Fee NII, expressed as a rate of return on the value of the Company's net assets (defined as total assets less liabilities) at the end of the immediately preceding fiscal quarter, is compared to a "hurdle rate" of 2.0% per quarter (8.0% annualized). The Company pays the Adviser an Income Incentive Fee with respect to the Company's Pre-Incentive Fee NII in each calendar quarter as follows: (1) no Income Incentive Fee in any calendar quarter in which the Company's Pre-Incentive Fee NII does not exceed the hurdle rate of 2.0%; (2) 80% of the Company's Pre-Incentive Fee NII with respect to that portion of such Pre-Incentive Fee NII, if any, that exceeds the hurdle rate but is less than 2.667% in any calendar quarter (10.668% annualized) (the portion of the Company's Pre-Incentive Fee NII that exceeds the hurdle but is less than 2.667% is referred to as the "catch-up"; the "catch-up" is meant to provide the Adviser with 20.0% of the Company's Pre-Incentive Fee NII as if a hurdle did not apply if the Company's Pre-Incentive Fee NII exceeds 2.667% in any calendar quarter (10.668% annualized)); and (3) 20.0% of the amount of the Company's Pre-Incentive Fee NII, if any, that exceeds 2.667% in any calendar quarter (10.668% annualized) payable to the Adviser (once the hurdle is reached and the catch-up is achieved, 20.0% of all Pre-Incentive Fee NII thereafter is allocated to the Adviser).

Until the consummation of a Spin-Off transaction (defined below), in the event that (a) the sum of the Company's cumulative net realized losses since the date of the Company's election to be regulated as a BDC exceeded 2.0% of the total non-control/non-affiliate investments made by the Company since the date of the Company's election to be regulated as a BDC through the end of the quarter and (b) the Pre-Incentive Fee NII adjusted to include any realized capital gains and losses ("Adjusted Pre-Incentive Fee NII"), expressed as an annualized rate of return on the value of the Company's average daily net assets (defined as total assets less liabilities), since the Company's election to be regulated as a BDC through the end of the quarter was less than 10.0%, no Income Incentive Fee would be payable for such quarter until the first subsequent quarter in which either (x) the sum of the Company's cumulative net realized losses since the date of the Company's election to

be regulated as a BDC was equal to or less than 2.0% of the total non-control/non-affiliate investments made by the Company since the date of the Company's election to be regulated as a BDC through the end of such subsequent quarter or (y) the Adjusted Pre-Incentive Fee NII, expressed as an annualized rate of return on the value of the Company's average daily net assets (defined as total assets less liabilities), since the Company's election to be regulated as a BDC through the of the end of the quarter equals or exceeds 10.0%; provided, however, that in no event would any Income Incentive Fee be payable for any prior quarter after the three-year anniversary of the end of such quarter. For purposes of the Existing Advisory Agreement, a "Spin-Off transaction" includes either a transaction whereby (a) the Company offers its stockholders the option to elect to either (i) retain their ownership of shares of the Company's common stock, or (ii) exchange their shares of the Company's common stock for shares of common stock in a newly formed entity (the "Public Fund") that will elect to be regulated as a BDC under the 1940 Act and treated as a RIC under Subchapter M of the Code (the "Public Fund Spin Off"); or (b) the Company completes a listing of the Company's securities on any securities exchange (an "Exchange Listing").

Under the capital gains component of the incentive fee (the "Capital Gains Fee"), the Company pays the Adviser, as of the end of each calendar year, 20.0% of the Company's aggregate cumulative realized capital gains, if any, from the date of the Company's election to be regulated as a BDC through the end of that calendar year, computed net of the Company's aggregate cumulative realized capital losses and aggregate cumulative unrealized capital losses through the end of such year, less the aggregate amount of any previously paid Capital Gains Fee. For the foregoing purpose, the Company's "aggregate cumulative realized capital gains" will not include any unrealized gains. If such amount is negative, then no Capital Gains Fee is payable for such year.

The Capital Gains Fee consists of fees related to realized gains and losses and unrealized capital losses. With respect to the incentive fee expense accrual related to the Capital Gains Incentive Fee, U.S. GAAP requires that the Capital Gains Incentive Fee accrual consider the cumulative aggregate unrealized gains in the calculation, as a Capital Gains Incentive Fee would be payable if such unrealized gains were realized even though such unrealized gains are not permitted to be considered in calculating the fee actually payable under the Existing Advisory Agreement.

Limitation of Liability and Indemnification under the Existing Advisory Agreement

The Existing Advisory Agreement provides that the Adviser and its officers, directors, employees and affiliates are not liable to us or any of our stockholders for any act or omission by it or its employees in the supervision or management of our investment activities or for any loss sustained by us or our stockholders, except that the foregoing exculpation does not extend to any act or omission constituting willful misfeasance, bad faith, gross negligence or reckless disregard of its obligations under the Existing Advisory Agreement. The Existing Advisory Agreement also provides for indemnification by us of the Adviser's members, directors, officers, employees, agents and control persons for liabilities incurred by it in connection with their services to us, subject to the same limitations and to certain conditions.

Information Regarding the New Advisory Agreement; Comparison of the Existing Advisory Agreement and New Advisory Agreement

Subject to the few exceptions discussed below, the terms of the New Advisory Agreement, including (i) the investment management services to be provided by the Adviser to the Company thereunder, (ii) the base management fee and incentive compensation payable thereunder, (iii) the allocation of expenses between the Adviser and the Company, (iv) the indemnification provisions thereunder and (v) the provisions regarding termination and amendment, are substantially the same as those of the Existing Advisory Agreement.

The dates of effectiveness of the agreements differ. The Existing Advisory Agreement remained in effect for an initial period of two years and, subsequent to the initial two year period, has remained in effect from year to year by approval of the Board. On May 27, 2024, the Existing Advisory Agreement was approved by the Board for an additional one-year term. If approved by stockholders of the Company, the New Advisory Agreement would become effective upon the closing of the Adviser Change in Control. The New Advisory Agreement would continue in effect for an initial period of two years and thereafter would continue in effect from year to year if such continuance is approved at least annually by both (i) the vote of a majority of the Board or the vote of a majority of the Company's outstanding voting securities and (ii) the vote of a majority

of the Board who are not parties to the Existing Advisory Agreement or interested persons (as such term is defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval.

The Adviser Change in Control has been structured to comply with Section 15(f) of the 1940 Act. Section 15(f) provides in substance that when a sale of a controlling interest in an investment adviser occurs, the investment adviser or any of its affiliated persons may receive any amount or benefit in connection with the sale so long as two conditions are satisfied. The first condition of Section 15(f) is that, during the three-year period following the consummation of a transaction, at least 75% of the investment company's board of directors must not be "interested persons" (as defined in the 1940 Act) of the investment adviser or predecessor adviser. Second, an "unfair burden" (as defined in the 1940 Act) must not be imposed on the investment company as a result of the transaction relating to the sale of such interest, or any express or implied terms, conditions or understandings applicable thereto. The term "unfair burden" (as defined in the 1940 Act) includes any arrangement, during the two-year period after the Adviser Change in Control, whereby the investment adviser (or predecessor or successor adviser), or any "interested person" (as defined in the 1940 Act) of such an advisor, receives or is entitled to receive any compensation directly or indirectly, from the investment company or its security holders (other than fees for bona fide investment advisory or other services) or from any person in connection with the purchase or sale of securities or other property to, from or on behalf of the investment company (other than bona fide ordinary compensation as principal underwriter for the investment company).

Under the Merger Agreement, the New Owner acknowledges the Adviser's reliance on Section 15(f) of the 1940 Act and, subject to its fiduciary duties and applicable law, has agreed not to take, or omit to take, any action within its control that would have the effect of causing any of the requirements of Section 15(f) of the 1940 Act not to be met.

Certain Board of Directors Considerations Regarding the Approval of the New Advisory Agreement

In anticipation of the Adviser Change in Control, the Board held an in-person meeting on October 29, 2024, for purposes of, among other things, discussing matters relating to the Adviser Change in Control and considering whether it would be in the best interests of the Company and its stockholders to approve the New Advisory Agreement. At the October 29, 2024 meeting, the Board, including the Independent Directors, unanimously approved the New Advisory Agreement on behalf of the Company, contingent upon the Adviser and the New Owner closing the Adviser Change in Control. The Independent Directors also consulted with independent counsel in an executive session regarding the approval of the New Advisory Agreement. The Board discussed matters relating to the Adviser Change in Control and set the date of the Special Meeting and the record date for the determination of stockholders entitled to notice of, and to vote at, the Special Meeting. The Board, including all of the Independent Directors, unanimously recommend that stockholders of the Company vote to approve the New Advisory Agreement.

In reaching the conclusion that the approval of the New Advisory Agreement is in the best interests of the Company's stockholders, the Board reviewed information prepared for the Board for this purpose and considered the material terms of the Adviser Change in Control as discussed with the Adviser and, among other things: the proposed management of the Adviser following the Adviser Change in Control; the strategic plans for the Adviser's management after the Adviser Change in Control; the operation of the Company following the Adviser Change in Control; the nature, extent and quality or level of services to be provided to the Company following the Adviser Change in Control; key personnel that are expected to service the Company, and the compensation or incentive arrangements to retain such personnel following the Adviser Change in Control; the resources that will be available to the Adviser following the Adviser Change in Control; the Company's anticipated fees and expenses following the Adviser Change in Control; and such other factors as the Board and Independent Directors deemed relevant to their decision.

In approving the New Advisory Agreement, the Board, including a majority of the Independent Directors, determined as follows:

Nature, Extent and Quality of Services.

In evaluating the nature, quality and extent of the services expected to be provided by the Adviser under the New Advisory Agreement, the Board concluded that no diminution in the nature, quality and extent of

services currently provided to the Company and its stockholders is expected as a result of the Adviser Change in Control and, instead, the Board anticipates that the Company will benefit from the additional resources and investment opportunities that may result from the New Owner's resources. The Board believes that the Adviser stands to benefit from the access to greater scale and resources that will help to provide a more complete solution to a broader cross-section of potential portfolio companies. The Board noted that the Adviser and the New Owner believe that following the Adviser Change in Control, the Adviser's ability to source transactions for the Company across a variety of deal source channels will be enhanced, while also ensuring the continuity of management and operations. BCPA will also enhance the ability of the Company to attract additional highly talented investment advisory personnel and the Company will benefit from BCPA's technology capabilities and innovative investment infrastructure. Further, the Board noted that BCPA possesses an advantage regarding access to market opportunities that could widen the Company's access to investment opportunities.

In making their determination, the Board considered, among other things: the expected impact, if any, of the Adviser Change in Control on the operations, facilities, organization and personnel of the Adviser, the ability of the Adviser to perform its duties as a result of the Adviser Change in Control, including any changes to the level or quality of services provided to the Company; and any anticipated changes to the investment and other practices of the Company. The Board noted that the terms of the New Advisory Agreement, including the fees payable thereunder, are substantially the same as those of the Existing Advisory Agreement. The Board considered that the services to be provided and the standard of care under the New Advisory Agreement are the same as the Existing Advisory Agreement. The Board noted that neither the management of the Adviser nor the New Owner anticipate any material changes to the advisory personnel that manage the Company or the services provided to the Company as a result of the Adviser Change in Control.

Investment Performance.

The Board reviewed the investment performance of the Company since its commencement of operations and compared the performance of the Company with the performance of comparable BDCs. The Board determined that the Adviser was delivering results consistent with the investment objective of the Company and that the Company's investment performance was acceptable, relative to comparable BDCs.

The Board considered that following the completion of the Adviser Change in Control, all the portfolio investment personnel responsible for the management of the Company's portfolio were expected to continue to manage the portfolio and the investment strategies of the Company was not expected to materially change as a result of the Adviser Change in Control.

Further, the Board considered the Adviser's view that the Company may have additional investment opportunities due to its relationship with BCPA after the Adviser Change in Control is complete. Accordingly, in light of such findings and the performance history of the Company, the Board determined that the investment performance of the Company was likely to remain consistent or potentially improve over time with the approval of the New Advisory Agreement.

Costs of the Services Provided to the Company.

As noted above, the terms of the New Advisory Agreement are substantially the same as those of the Existing Advisory Agreement, including with respect to fee structure. Based on its review of the information provided to it, the Board determined that the management fees and expenses under the New Advisory Agreement were reasonable and in the best interests of the Company.

Economies of Scale.

The Board considered information about the potential for the Company's stockholders to experience economies of scale as the Company grows in size and considered that the investment objectives and strategies of the Company were not expected to materially change as a result of the Adviser Change in Control. Accordingly, the Board concluded that although the Adviser Change in Control could lead to economies of scale in the future, it would likely not result in immediate economies of scale previously unavailable to the Company. Therefore, potential economies of scale were determined not to be a significant consideration for the Board in approving the New Advisory Agreement, and the Board determined that the advisory fee

structure with respect to the New Advisory Agreement as proposed was reasonable and that no changes were currently necessary to reflect economies of scale. The Board noted that it would have the opportunity to receive updates in the future regarding any economies of scale realized by the Adviser in connection with its management of the Company.

Profitability of the Adviser.

The Board recognized that it is difficult to predict the Adviser's profitability after the Adviser Change in Control. However, given that the fee structure, services and costs of personnel under the New Advisory Agreement are substantially the same as that under the Existing Advisory Agreement, the Board determined that, based on information available to the Board related to the Existing Advisory Agreement, the Adviser's profitability with respect to managing the Company should not be unreasonable in relation to the nature, extent and quality of the services to be provided.

Limited Potential for Additional "Fall Out" Benefits Derived by the Adviser.

The Board noted that the considerations regarding the potential for the Adviser and its affiliates to derive additional "fall out" benefits, such as soft dollar arrangements with brokers, as a result of the Adviser Change in Control were not expected to materially change from those considerations applicable to the Adviser prior to the Adviser Change in Control. Accordingly, the findings that there was limited potential for the Adviser and its affiliates to derive additional "fall out" benefits, such as soft dollar arrangements with brokers, as a result of the Adviser Change in Control, was not expected to change as a result of the New Advisory Agreement.

The Board concluded that, in connection with its evaluation of the New Advisory Agreement, it is not practical to quantify, rank or otherwise assign relative weights to the specific factors it considered in reaching its decision. The Board did not undertake to make any specific determination as to whether any particular factor, or any aspect of any particular factor, was favorable or unfavorable to the ultimate determination of the Board. Rather, the Board based its approval on the totality of information presented to, and the investigation conducted by, it. In considering the factors discussed above, individual directors may have given different weights to different factors.

The Board then directed that the New Advisory Agreement be submitted to stockholders for approval with the Board's recommendation that stockholders of the Company to approve the New Advisory Agreement. *The Board, including all of the Independent Directors, unanimously recommend that stockholders of the Company vote FOR the New Advisory Agreement.*

Required Vote

Approval of the New Advisory Agreement may be obtained by the affirmative vote of a majority of the outstanding shares of the Company entitled to vote at the Special Meeting.

PROPOSAL 2: APPROVAL OF THE ADJOURNMENT OF THE SPECIAL MEETING***Overview***

We are asking the Company's stockholders to approve a proposal to adjourn the Special Meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies if there are insufficient votes at the time of the Special Meeting to approve the New Advisory Agreement Proposal. If the Company's stockholders approve the Adjournment Proposal, we could adjourn the Special Meeting and any subsequent, adjourned meeting of the Company's stockholders and use the additional time to solicit required proxies, including proxies from stockholders who previously may have returned properly executed proxies voting against the New Advisory Agreement Proposal. Among other things, approval of the Adjournment Proposal could mean that, even if we receive proxies in connection with the Special Meeting that represent a sufficient number of votes against the New Advisory Agreement Proposal that it would be rejected, we could adjourn the Special Meeting without a vote on the New Advisory Agreement Proposal and seek to convince the stockholders who provided such proxies to change their votes to votes in favor of the New Advisory Agreement Proposal. Additionally, the presiding officer of the Special Meeting may adjourn the Special Meeting in his or her discretion under the terms of our bylaws.

Vote Required

Approval of the Adjournment Proposal requires the affirmative vote of the holders of a majority of the shares of the Company's common stock in person or represented by proxy and entitled to vote on the matter. Abstentions will have the same effect as a vote "AGAINST" the Adjournment Proposal and broker non-votes, if any, will have no effect on the vote for the Adjournment Proposal.

THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ADJOURNMENT PROPOSAL.

Unless otherwise indicated, to our knowledge, each stockholder listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder, except to the extent authority is shared by their spouses under applicable law. Unless otherwise indicated, the address of all executive officers and directors is c/o Runway Growth Finance Corp., 205 N. Michigan Ave, Suite 4200, Chicago, Illinois 60601.

CERTAIN TRANSACTIONS

Certain members of the Adviser's senior investment team and the investment committee serve, or may serve, as officers, directors, members or principals of entities that operate in the same or a related line of business as we do, or of investment vehicles managed by the Adviser with similar investment objectives. Similarly, the Adviser may have other clients with similar, different or competing investment objectives.

Members of the Adviser's senior investment team and the investment committee, in their roles at the Adviser, may face conflicts in the allocation of investment opportunities among us and other investment vehicles that are managed by the Adviser with similar or overlapping investment objectives in a manner that is fair and equitable over time and consistent with the Adviser's allocation policy. Generally, when a particular investment would be appropriate for us as well as one or more other investment funds, accounts or vehicles that may in the future be managed by the Adviser's senior investment team, such investment will be apportioned by the Adviser's senior investment team in accordance with (1) the Adviser's internal conflict of interest and allocation policies, (2) the requirements of the Investment Advisers Act of 1940, as amended, and (3) certain restrictions under the 1940 Act regarding co-investments with affiliates. Such apportionment may not be strictly pro rata, depending on the good-faith determination of all relevant factors, including differing investment objectives, diversification considerations and the terms of our or the respective governing documents of such investment funds, accounts or investment vehicles. These procedures could, in certain circumstances, limit whether a co-investment opportunity is available to us, the timing of acquisitions and dispositions of investments, the price paid or received by us for investments or the size of the investment purchased or sold by us. The Adviser believes this allocation system is fair and equitable, and consistent with its fiduciary duty to us. In particular, we have disclosed to investors how allocation determinations are made among any investment vehicles managed by the Adviser.

In the ordinary course of business, we may enter into transactions with affiliates and portfolio companies that may be considered related party transactions. In order to ensure that we do not engage in any prohibited transactions with any persons affiliated with us, we have implemented certain policies and procedures whereby certain of our executive officers screen each of our transactions for any possible affiliations between the proposed portfolio investment, us, companies controlled by us, stockholders that own more than 5% of us and our employees and directors. We will not enter into any agreements unless and until we are satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, we have taken appropriate actions to seek review and approval by the Board or exemptive relief for such transaction. The Board will review these procedures on an annual basis.

We may co-invest with investment funds, accounts and vehicles managed by the Adviser, where doing so is consistent with our investment strategy as well as applicable law and SEC exemptive relief and staff interpretations. On August 10, 2020, we, the Adviser, and certain other funds and accounts sponsored or managed by the Adviser and/or its affiliates were granted an exemptive order (the "Order"), as amended on August 30, 2022, that permits us greater flexibility than the 1940 Act otherwise permits to negotiate the terms of co-investments if our Board determines that it would be advantageous for us to co-invest with other accounts sponsored or managed by the Adviser or its affiliates in a manner consistent with our investment objective, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors. We believe that the ability to co-invest with similar investment structures and accounts sponsored or managed by the Adviser or its affiliates may provide additional investment opportunities and the ability to achieve greater portfolio diversification. Under the terms of the Order, a majority of our Independent Directors are required to make certain determinations in connection with a co-investment transaction, including that (1) the terms of the proposed transaction are reasonable and fair to us and our stockholders and do not involve overreaching in respect of us or our stockholders on the part of any person concerned and (2) the transaction is consistent with the interests of our stockholders and is consistent with our investment objectives and strategies.

Existing Advisory Agreement

We have entered into the Existing Advisory Agreement with the Adviser. Mr. Spreng, our President, Chief Executive Officer and Chairman of our Board, and a member of the Adviser's investment committee and Mr. Raterman, our Chief Operating Officer, Chief Financial Officer and a member of the Adviser's investment committee, each have a direct pecuniary interest in the Adviser and an indirect pecuniary interest

in the Adviser through their ownership interest in Runway Growth Holdings LLC (“Runway Growth Holdings”). Gregory M. Share, our director and a member of the Adviser’s investment committee, may be deemed to have an indirect pecuniary interest in the Adviser through his role at Oaktree Capital Management, L.P. (“Oaktree”), which has a direct pecuniary interest in the Adviser. Pursuant to the Existing Advisory Agreement, we pay the Adviser a base management fee and an incentive fee for its services.

The Adviser is responsible for sourcing, reviewing and structuring investment opportunities for us, underwriting and conducting diligence on our investments and monitoring our investment portfolio on an ongoing basis. The Adviser’s incentive fee is based on the value of our investments and, therefore, there may be a conflict of interest when personnel of the Adviser are involved in the valuation process for our portfolio investments. See the “Risk Factors” sections of our public SEC filings for more information about these potential conflicts of interest.

Administration Agreement

We have entered into an administration agreement (the “Administration Agreement”) with Runway Administrator Services LLC (the “Administrator”), a wholly owned subsidiary of the Adviser, pursuant to which the Administrator is responsible for furnishing us with office facilities and equipment and will provide us with clerical, bookkeeping, recordkeeping and other administrative services at such facilities. Pursuant to the Administration Agreement, we pay the Administrator an amount equal to our allocable portion (subject to the review of the Board) of the Administrator’s overhead resulting from its obligations under the Administration Agreement, including rent and the allocable portion of the cost of our Chief Compliance Officer and Chief Financial Officer and their respective staffs associated with performing compliance functions.

License Agreement

We have entered into a trademark license agreement with the Adviser (the “License Agreement”) pursuant to which the Adviser has granted us a personal, non-exclusive, royalty-free right and license to use the name “Runway Growth Finance”. Under the License Agreement, we have the right to use the “Runway Growth Finance” name for so long as the Adviser or one of its affiliates remains our Adviser. Other than with respect to this limited license, we have no legal right to the “Runway Growth Finance” name.

If any of the contractual obligations discussed above are terminated in the future, our costs under any new agreements that we enter into may increase. In addition, we would likely incur significant time and expense in locating alternative parties to provide the services we receive under the Existing Advisory Agreement and the Administration Agreement. Any new investment advisory agreement would also be subject to approval by our stockholders.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

A number of brokerages and other institutional holders of record have implemented householding. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request information about householding of their communications should contact their brokers or other intermediary holder of record. You can notify us by sending a written request to: Thomas B. Raterman, Corporate Secretary, Runway Growth Finance Corp., 205 N. Michigan Ave, Suite 4200, Chicago, Illinois 60601, or by calling (312) 698-6902. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the annual report and proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered.

If you have any questions about the Special Meeting, these proxy materials or your ownership of our common stock, please contact Thomas B. Raterman c/o Runway Growth Finance Corp., 205 N. Michigan Ave, Suite 4200, Chicago, Illinois 60601, Telephone: (312) 698-6902.

OTHER MATTERS

The Board knows of no other matters that will be presented for consideration at the Special Meeting. If any other matters are properly brought before the Special Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

**THIRD AMENDED AND RESTATED
INVESTMENT ADVISORY AGREEMENT**

BETWEEN

RUNWAY GROWTH FINANCE CORP.

AND

RUNWAY GROWTH CAPITAL LLC

This Third Amended and Restated Investment Advisory Agreement (the “*Agreement*”) is made this [] day of [], 2024, by and between RUNWAY GROWTH FINANCE CORP., a Maryland corporation (the “*Company*”), and RUNWAY GROWTH CAPITAL LLC, a Delaware limited liability company (the “*Adviser*”).

WHEREAS, the Company is organized as a closed-end management investment fund that has elected to be regulated as a business development company (“*BDC*”) under the Investment Company Act of 1940, as amended (the “*Investment Company Act*”); and

WHEREAS, the Adviser is an investment adviser that is registered under the Investment Advisers Act of 1940, as amended (the “*Advisers Act*”); and

WHEREAS, the Company and the Adviser are parties to the second amended and restated investment advisory agreement, dated May 27, 2021, by and between the Company and the Adviser (the “*Prior Agreement*”); and

WHEREAS, the Company and the Adviser desire to amend and restate the Prior Agreement on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the parties hereby agree as follows:

1. Duties of the Adviser.

(a) The Company hereby retains the Adviser to act as the investment adviser to the Company and to manage the investment and reinvestment of the assets of the Company, subject to the supervision of the Board of Directors of the Company (the “*Board*”), for the period and upon the terms herein set forth, (i) in accordance with the investment objective, policies and restrictions that are set forth in the Company’s annual report on Form 10-K filed on March 11, 2021; (ii) in accordance with all other applicable federal and state laws, rules and regulations, and the Company’s charter and bylaws as the same shall be amended from time to time; and (iii) in accordance with the Investment Company Act. Without limiting the generality of the foregoing, the Adviser shall, during the term and subject to the provisions of this Agreement, (i) determine the composition of the portfolio of the Company, the nature and timing of the changes therein and the manner of implementing such changes; (ii) identify, evaluate and negotiate the structure of the investments made by the Company; (iii) execute, close and monitor the Company’s investments; (iv) determine the securities and other assets that the Company will purchase, retain, or sell; (v) perform due diligence on prospective portfolio companies; and (vi) provide the Company with such other investment advisory, research and related services as the Company may, from time to time, reasonably require for the investment of its funds. Subject to the supervision of the Board, the Adviser shall have the power and authority on behalf of the Company to effectuate its investment decisions for the Company, including the execution and delivery of all documents relating to the Company’s investments and the placing of orders for other purchase or sale transactions on behalf of the Company. In the event that the Company determines to acquire debt financing, the Adviser shall arrange for such financing on the Company’s behalf, subject to the oversight and approval of the Board. If it is necessary for the Adviser to make investments on behalf of the Company through a special purpose vehicle, the Adviser shall have authority to create or arrange for the creation of such special purpose vehicle and to make such investments through such special purpose vehicle (in accordance with the Investment Company Act).

(b) The Adviser hereby accepts such employment and agrees during the term hereof to render the services described herein for the compensation provided herein.

(c) The Adviser shall for all purposes herein provided be deemed to be an independent contractor and, except as expressly provided or authorized herein, shall have no authority to act for or represent the Company in any way or otherwise be deemed an agent of the Company.

(d) The Adviser shall keep and preserve for the period required by the Investment Company Act any books and records relevant to the provision of its investment advisory services to the Company and shall specifically maintain all books and records in accordance with Section 31(a) of the Investment Company Act, and the rules and regulations promulgated thereunder, with respect to the Company's portfolio transactions and shall render to the Board such periodic and special reports as the Board may reasonably request. The Adviser agrees that all records that it maintains for the Company are the property of the Company and shall surrender promptly to the Company any such records upon the Company's request, provided that the Adviser may retain a copy of such records.

2. Company's Responsibilities and Expenses Payable by the Company.

All investment professionals of the Adviser and their respective staffs, when and to the extent engaged in providing investment advisory and management services hereunder, and the compensation and routine overhead expenses of such personnel allocable to such services, shall be provided and paid for by the Adviser and not by the Company. The Company shall bear all other costs and expenses of its operations, administration and transactions, including (without limitation) those relating to: the Company's pro-rata portion of fees and expenses related to an initial public offering of the Public Fund in connection with a Spin-Off transaction (as defined below); fees and expenses related to public and private offerings, sales and repurchases of the Company's securities; calculating the Company's net asset value (including the cost and expenses of any independent valuation firm); fees and expenses payable to third parties, including agents, consultants or other advisers, in connection with monitoring financial and legal affairs for the Company and in providing administrative services, monitoring the Company's investments and performing due diligence on the Company's prospective portfolio companies or otherwise relating to, or associated with, evaluating and making investments; interest payable on debt, if any, incurred to finance the Company's investments; sales and purchases of shares of the Company's common stock and other securities; investment advisory and management fees; administration fees, if any, payable under the administration agreement between the Company and the Company's administrator, Runway Administrator Services LLC (f/k/a GSV Credit Service Company, LLC) (the "**Administrator**"), dated as of December 15, 2016 (the "**Administration Agreement**") (as the same shall be amended from time to time); transfer agent and custodial fees; federal and state registration fees; all costs of registration and listing the Company's securities on any securities exchange (an "**Exchange Listing**"); U.S. federal, state and local taxes; fees and expenses of directors who are not parties to this Agreement or "interested persons" (as such term is defined in Section 2(a)(19) of the Investment Company Act) of any such party or an affiliate thereof (the "**Independent Directors**"); costs of preparing and filing reports or other documents required by the Securities and Exchange Commission (the "**SEC**"), the Financial Industry Regulatory Authority or other regulators; costs of any reports, proxy statements or other notices to stockholders, including printing costs; the Company's allocable portion of the fidelity bond, directors and officers/errors and omissions liability insurance, and any other insurance premiums; direct costs and expenses of administration, including printing, mailing, long distance telephone, copying, secretarial and other staff, independent auditors and outside legal costs; and all other expenses incurred by the Company, the Adviser or the Administrator in connection with administering the Company's business, including payments under the Administration Agreement between the Company and the Administrator, based upon the Company's allocable portion of the Administrator's overhead in performing its obligations under the Administration Agreement, including rent and the allocable portion of the cost of the Company's chief compliance officer and chief financial officer and their respective staffs.

For purposes of this Agreement, a "**Spin-Off transaction**" includes either a transaction whereby (a) the Company offers its stockholders the option to elect to either (i) retain their ownership of shares of the Company's common stock, or (ii) exchange their shares of the Company's common stock for shares of common stock in a newly formed entity (the "**Public Fund**") that shall elect to be regulated as a BDC under the

Investment Company Act and treated as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended (the “*Public Fund Spin-Off*”); or (b) the Company completes an Exchange Listing.

3. Compensation of the Adviser.

The Company agrees to pay, and the Adviser agrees to accept, as compensation for the services provided by the Adviser hereunder, a base management fee (“*Base Management Fee*”) and an incentive fee (“*Incentive Fee*”) as hereinafter set forth. The cost of both the Base Management Fee and the Incentive Fee will ultimately be borne by the Company’s common stockholders. The Company shall make any payments due hereunder to the Adviser or to the Adviser’s designee as the Adviser may otherwise direct.

(a) The Base Management Fee shall be payable on the first day of each calendar quarter and calculated as follows:

The Base Management Fee shall be an amount equal to 0.4375% (1.75% annualized) of the Company’s average daily Gross Assets during the most recently completed calendar quarter for so long as the aggregate amount of Gross Assets of the Company as of the end of the most recently completed calendar quarter is less than \$500,000,000. For purposes of this Agreement, “*Gross Assets*” is defined as the Company’s gross assets, including assets purchased with borrowed funds or other forms of leverage, as of the end of the most recently completed fiscal quarter. If the aggregate amount of Gross Assets as of the end of the most recently completed calendar quarter is equal to or greater than \$500,000,000, but less than \$1,000,000,000, the Base Management Fee shall be an amount equal to 0.40% (1.60% annualized) of the average daily Gross Assets during the most recently completed calendar quarter. If the aggregate amount of Gross Assets as of the end of the most recently completed calendar quarter is equal to or greater than \$1,000,000,000, the Base Management Fee shall be an amount equal to 0.375% (1.50% annualized) of the average daily Gross Assets during the most recently completed calendar quarter.

The Base Management Fee shall be appropriately prorated for any partial month or quarter.

(b) The Incentive Fee shall consist of two parts, as follows:

(i) (A) The first part (the “*Income Incentive Fee*”) shall be calculated and payable quarterly in arrears based on the Pre-Incentive Fee net investment income for the immediately preceding fiscal quarter. Payments based on Pre-Incentive Fee net investment income shall be based on the Pre-Incentive Fee net investment income earned for the quarter. For this purpose, “*Pre-Incentive Fee net investment income*” means interest income, dividend income and any other income (including any other fees, such as commitment, origination, structuring, diligence, managerial and consulting fees or other fees that the Company receives from portfolio companies) accrued by the Company during the fiscal quarter, minus the Company’s operating expenses for the quarter (including the Base Management Fee, expenses payable under the Administration Agreement, and any dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay in kind interest and zero coupon securities), accrued income the Company has not yet received in cash; *provided, however*, that the portion of the Income Incentive Fee attributable to deferred interest features shall be paid, only if and to the extent received in cash, and any accrual thereof shall be reversed if and to the extent such interest is reversed in connection with any write off or similar treatment of the investment giving rise to any deferred interest accrual, applied in each case in the order such interest was accrued. Such subsequent payments in respect of previously accrued income shall not reduce the amounts payable for any quarter pursuant to this Section 3(b)(i)(A). Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

(B) Pre-Incentive Fee net investment income, expressed as a rate of return on the value of the Company’s net assets (defined as total assets less liabilities) at the end of the immediately

preceding fiscal quarter, shall be compared to a “hurdle rate” of 2.0% per quarter (8.0% annualized). The Company shall pay the Adviser an Income Incentive Fee with respect to the Company’s Pre-Incentive Fee net investment income in each calendar quarter as follows: (1) no Income Incentive Fee in any calendar quarter in which the Company’s Pre-Incentive Fee net investment income does not exceed the hurdle rate of 2.0%; (2) 80% of the Company’s Pre-Incentive Fee net investment income with respect to that portion of such Pre-Incentive Fee net investment income, if any, that exceeds the hurdle rate but is less than 2.667% in any calendar quarter (10.668% annualized) (the portion of the Company’s Pre-Incentive Fee net investment income that exceeds the hurdle but is less than 2.667% is referred to as the “catch-up”; the “catch-up” is meant to provide the Adviser with 20.0% of the Company’s Pre-Incentive Fee net investment income as if a hurdle did not apply if the Company’s Pre-Incentive Fee net investment income exceeds 2.667% in any calendar quarter (10.668% annualized)); and (3) 20.0% of the amount of the Company’s Pre-Incentive Fee net investment income, if any, that exceeds 2.667% in any calendar quarter (10.668% annualized) payable to the Adviser (once the hurdle is reached and the catch-up is achieved, 20.0% of all Pre-Incentive Fee net investment income thereafter is allocated to the Adviser);

provided that, until the consummation of a Spin-Off transaction, in the event that (a) the sum of the Company’s cumulative net realized losses since the date of the Company’s election to be regulated as a BDC exceeds 2.0% of the total non-control/non-affiliate investments made by the Company since the date of the Company’s election to be regulated as a BDC through the end of the quarter and (b) the Pre-Incentive Fee net investment income adjusted to include any realized capital gains and losses (“*Adjusted Pre-Incentive Fee net investment income*”), expressed as an annualized rate of return on the value of the Company’s average daily net assets (defined as total assets less liabilities), since the Company’s election to be regulated as a BDC through the end of the quarter is less than 10%, no Income Incentive Fee shall be payable for such quarter until the first subsequent quarter in which either (x) the sum of the Company’s cumulative net realized losses since the date of the Company’s election to be regulated as a BDC is equal to or less than 2.0% of the total non-control/non-affiliate investments made by the Company since the date of the Company’s election to be regulated as a BDC through the end of such subsequent quarter or (y) the Adjusted Pre-Incentive Fee net investment income, expressed as an annualized rate of return on the value of the Company’s average daily net assets (defined as total assets less liabilities), since the Company’s election to be regulated as a BDC through the of the end of the quarter equals or exceeds 10%; *provided, however*, that in no event shall any Income Incentive Fee be payable for any prior quarter after the three-year anniversary of the end of such quarter.

(C) The Income Incentive Fee shall be payable in connection with a Public Fund Spin-Off as follows. The Income Incentive Fee shall be calculated as of the date of the completion of the Public Fund Spin-Off and shall equal the amount of Income Incentive Fee that would be payable to the *Adviser* if (1) all of the Company’s investments were liquidated for their current value and any unamortized deferred portfolio investment-related fees would be deemed accelerated, (2) the proceeds from such liquidation were used to pay all of the Company’s outstanding liabilities, and (3) the remainder were distributed to the Company’s stockholders and paid as Incentive Fee in accordance with the Income Incentive Fee described in clauses (1) and (2) above for determining the amount of the Income Incentive Fee; *provided, however*, that in no event shall the Income Incentive Fee paid in connection with the completion of the Public Fund Spin-Off (x) include the portion of the Income Incentive Fee attributable to deferred interest features of a particular investment that is not transferred pursuant to the Public Fund Spin-Off until such time as the deferred interest is received in cash, or (y) exceed 20% of the Company’s Pre-Incentive Fee net investment income accrued by the Company for the fiscal quarter as of the date of the completion of the Public Fund Spin-Off. The Company shall make the payment of the Income Incentive Fee paid in connection with the completion of the Public Fund Spin-Off in cash on or immediately following the date of the completion of the Public Fund Spin-Off. After the Public Fund Spin-Off, all calculations relating to the Incentive Fee payable shall be made beginning on the day immediately following the completion of the Public Fund Spin-Off without taking into account the exchanged shares of the Company’s common stock (or contributions, distributions or proceeds relating thereto).

(ii) (A) The second part of the Incentive Fee (the “*Capital Gains Fee*”) shall be determined and payable in arrears as of the end of each calendar year (or upon termination of this Agreement as set forth below), commencing with the calendar year ending December 31, 2016, and shall equal 20.0% of the Company’s aggregate cumulative realized capital gains, if any, from the date of the Company’s election to be regulated as a BDC through the end of the relevant calendar year, computed net of aggregate cumulative realized capital losses and aggregate cumulative unrealized capital depreciation through the end of such year, less the aggregate amount of any previously paid Capital Gains Fee. For purposes of this Section 3(b) (ii), the Company’s “aggregate cumulative realized capital gains” shall not include any unrealized appreciation. If such amount is negative, then no Capital Gains Fee shall be payable for such year. In the event that this Agreement shall terminate as of a date that is not a calendar year end, the termination date shall be treated as though it were a calendar year end for purposes of calculating and paying a Capital Gains Fee.

(B) The Capital Gains Fee shall be payable in respect of the exchanged shares of the Company’s common stock in connection with the Public Fund Spin-Off and shall be calculated as of the date of the completion of the Public Fund Spin-Off as if such date were a calendar year-end for purposes of calculating and paying the Capital Gains Fee.

(c) No Income Incentive Fee or Capital Gains Fee shall be payable in connection with the Public Fund Spin-Off unless, on the date of the completion of the Public Fund Spin-Off, the sum of the Company’s (i) Pre-Incentive Fee net investment income and (ii) realized capital gains less realized capital losses and unrealized capital depreciation from the date of the Company’s election to be regulated as a BDC through, and including, the date of the completion of the Public Fund Spin-Off, is greater than 8% of the cumulative net investments made by the Company since its election to be regulated as a BDC.

4. Covenants of the Adviser.

The Adviser covenants that it shall remain registered as an investment adviser under the Advisers Act so long as the Company maintains its election to be regulated as a BDC under the Investment Company Act. The Adviser agrees that its activities shall at all times be in compliance in all material respects with all applicable federal and state laws governing its operations and investments.

5. Limitations on the Employment of the Adviser.

The services of the Adviser to the Company are not exclusive, and the Adviser may engage in any other business or render similar or different services to others including, without limitation, the direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, however structured, having investment objectives similar to those of the Company, so long as its services to the Company hereunder are not impaired thereby, and nothing in this Agreement shall limit or restrict the right of any manager, partner, officer or employee of the Adviser to engage in any other business or to devote his or her time and attention in part to any other business, whether of a similar or dissimilar nature, or to receive any fees or compensation in connection therewith (including fees for serving as a director of, or providing consulting services to, one or more of the Company’s portfolio companies, subject to applicable law). So long as this Agreement or any extension, renewal or amendment remains in effect, the Adviser shall be the only investment adviser for the Company, subject to the Adviser’s right to enter into sub-advisory agreements. The Adviser assumes no responsibility under this Agreement other than to render the services called for hereunder. It is understood that directors, officers, employees and stockholders of the Company are or may become interested in the Adviser and its affiliates, as directors, officers, employees, partners, stockholders, members, managers or otherwise, and that the Adviser and directors, officers, employees, partners, stockholders, members and managers of the Adviser and its affiliates are or may become similarly interested in the Company as stockholders or otherwise.

6. Responsibility of Dual Directors, Officers and/or Employees.

If any person who is a manager, partner, officer or employee of the Adviser or the Administrator is or becomes a director, officer and/or employee of the Company and acts as such in any business of the Company, then such manager, partner, officer and/or employee of the Adviser or the Administrator shall be deemed to

be acting in such capacity solely for the Company, and not as a manager, partner, officer or employee of the Adviser or the Administrator or under the control or direction of the Adviser or the Administrator, even if paid by the Adviser or the Administrator.

7. Limitation of Liability of the Adviser; Indemnification.

The Adviser (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Adviser, including without limitation its sole member) shall not be liable to the Company for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under this Agreement or otherwise as an investment adviser of the Company (except to the extent specified in Section 36(b) of the Investment Company Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services), and the Company shall indemnify, defend and protect the Adviser (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Adviser, including without limitation its members and the Administrator, each of whom shall be deemed a third party beneficiary hereof) (collectively, the “*Indemnified Parties*”) and hold them harmless from and against all damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) incurred by the Indemnified Parties in or by reason of any pending, threatened or completed action, suit, investigation or other proceeding (including an action or suit by or in the right of the Company or its security holders) arising out of or otherwise based upon the performance of any of the Adviser’s duties or obligations under this Agreement or otherwise as an investment adviser of the Company. Notwithstanding the preceding sentence of this Section 7 to the contrary, nothing contained herein shall protect or be deemed to protect the Indemnified Parties against or entitle or be deemed to entitle the Indemnified Parties to indemnification in respect of, any liability to the Company or its security holders to which the Indemnified Parties would otherwise be subject by reason of criminal conduct, willful misfeasance, bad faith or gross negligence in the performance of the Adviser’s duties or by reason of the reckless disregard of the Adviser’s duties and obligations under this Agreement (as the same shall be determined in accordance with the Investment Company Act and any interpretations or guidance by the SEC or its staff thereunder).

8. Effectiveness, Duration and Termination of the Agreement.

(a) This Agreement shall become effective as of the first date above written. The provisions of Section 7 of this Agreement shall remain in full force and effect, and the Adviser shall remain entitled to the benefits thereof, notwithstanding any termination of this Agreement. Further, notwithstanding the termination or expiration of this Agreement as set forth in this Section 8, the Adviser shall be entitled to any amounts owed under Section 3 through the date of termination or expiration and Section 7 shall continue in force and effect and apply to the Adviser and its representatives as and to the extent applicable.

(b) The Agreement shall continue in effect for two years from the date hereof and thereafter shall continue automatically for successive annual periods, provided that such continuance is specifically approved at least annually by (A) the affirmative vote of a majority of the Board, or by the affirmative vote of a majority of the outstanding voting securities of the Company, and (B) the affirmative vote of a majority of the Company’s Independent Directors, in accordance with the requirements of the Investment Company Act.

(c) This Agreement may be terminated at any time, without the payment of any penalty, upon not more than 60 days’ written notice, by: (i) the affirmative vote of a majority of the outstanding voting securities of the Company, (ii) the affirmative vote of a majority of the Board, including a majority of the Independent Directors, or (iii) the Adviser.

(d) This Agreement shall automatically terminate in the event of its “assignment” (as such term is defined for purposes of Section 15(a)(4) of the Investment Company Act).

(e) The provisions of Section 7 of this Agreement shall remain in full force and effect, and the Adviser shall remain entitled to the benefits thereof, notwithstanding any termination of this Agreement. Further, notwithstanding the termination or expiration of this Agreement as aforesaid, the Adviser shall be entitled to any amounts owed under Section 3 through the date of termination or expiration and Section 7 shall continue in force and effect and apply to the Adviser and its representatives as and to the extent applicable.

9. Notices.

Any notice under this Agreement shall be given in writing, addressed and delivered or mailed, postage prepaid, to the other party at its principal office.

10. Amendments.

This Agreement may be amended by mutual consent, but the consent of the Company must be obtained in conformity with the requirements of the Investment Company Act.

11. Entire Agreement; Governing Law.

This Agreement contains the entire agreement of the parties and supersedes all prior agreements, understandings and arrangements with respect to the subject matter hereof. This Agreement shall be construed in accordance with the laws of the State of New York and in accordance with the applicable provisions of the Investment Company Act. To the extent the applicable laws of the State of New York, or any of the provisions herein, conflict with the provisions of the Investment Company Act, the latter shall control.

12. Miscellaneous.

The captions in this Agreement are included for convenience of reference only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect. If any provision of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby. This Agreement shall be binding on, and shall inure to the benefit of the parties hereto and their respective successors.

13. Counterparts.

This Agreement may be executed in counterparts by the parties hereto, each of which shall constitute an original counterpart, and all of which, together, shall constitute one Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed on the date above written.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the parties hereby agree as follows:

1. Duties of the Adviser.

(a) The Company hereby retains the Adviser to act as the investment adviser to the Company and to manage the investment and reinvestment of the assets of the Company, subject to the supervision of the Board of Directors of the Company (the “*Board*”), for the period and upon the terms herein set forth, (i) in accordance with the investment objective, policies and restrictions that are set forth in the Company’s annual report on Form 10-K filed on March 11, 2021; (ii) in accordance with all other applicable federal and state laws, rules and regulations, and the Company’s charter and bylaws as the same shall be amended from time to time; and (iii) in accordance with the Investment Company Act. Subject to the supervision of the Board, the Adviser shall have the power and authority on behalf of the Company to effectuate its investment decisions for the Company, including the execution and delivery of all documents relating to the Company’s investments and the placing of orders for other purchase or sale transactions on behalf of the Company. In the event that the Company determines to acquire debt financing, the Adviser shall arrange for such financing on the Company’s behalf, subject to the oversight and approval of the Board. If it is necessary for the Adviser to make investments on behalf of the Company through a special purpose vehicle, the Adviser shall have authority to create or arrange for the creation of such special purpose vehicle and to make such investments through such special purpose vehicle (in accordance with the Investment Company Act).

(b) The Adviser hereby accepts such employment and agrees during the term hereof to render the services described herein for the compensation provided herein.

(c) The Adviser shall for all purposes herein provided be deemed to be an independent contractor and, except as expressly provided or authorized herein, shall have no authority to act for or represent the Company in any way or otherwise be deemed an agent of the Company.

(d) The Adviser shall keep and preserve for the period required by the Investment Company Act any books and records relevant to the provision of its investment advisory services to the Company and shall specifically maintain all books and records in accordance with Section 31(a) of the Investment Company Act, and the rules and regulations promulgated thereunder, with respect to the Company's portfolio transactions and shall render to the Board such periodic and special reports as the Board may reasonably request. The Adviser agrees that all records that it maintains for the Company are the property of the Company and shall surrender promptly to the Company any such records upon the Company's request, provided that the Adviser may retain a copy of such records.

2. Company's Responsibilities and Expenses Payable by the Company.

All investment professionals of the Adviser and their respective staffs, when and to the extent engaged in providing investment advisory and management services hereunder, and the compensation and routine overhead expenses of such personnel allocable to such services, shall be provided and paid for by the Adviser and not by the Company. The Company shall bear all other costs and expenses of its operations, administration and transactions, including (without limitation) those relating to: the Company's pro-rata portion of fees and expenses related to an initial public offering of the Public Fund in connection with a Spin-Off transaction (as defined below); fees and expenses related to public and private offerings, sales and repurchases of the Company's securities; calculating the Company's net asset value (including the cost and expenses of any independent valuation firm); fees and expenses payable to third parties, including agents, consultants or other advisers, in connection with monitoring financial and legal affairs for the Company and in providing administrative services, monitoring the Company's investments and performing due diligence on the Company's prospective portfolio companies or otherwise relating to, or associated with, evaluating and making investments; interest payable on debt, if any, incurred to finance the Company's investments; sales and purchases of shares of the Company's common stock and other securities; investment advisory and management fees; administration fees, if any, payable under the administration agreement between the Company and the Company's administrator, Runway Administrator Services LLC (f/k/a GSV Credit Service Company, LLC) (the "**Administrator**"), dated as of December 15, 2016 (the "**Administration Agreement**") (as the same shall be amended from time to time); transfer agent and custodial fees; federal and state registration fees; all costs of registration and listing the Company's securities on any securities exchange (an "**Exchange Listing**"); U.S. federal, state and local taxes; fees and expenses of directors who are not parties to this Agreement or "interested persons" (as such term is defined in Section 2(a)(19) of the Investment Company Act) of any such party or an affiliate thereof (the "**Independent Directors**"); costs of preparing and filing reports or other documents required by the Securities and Exchange Commission (the "**SEC**"), the Financial Industry Regulatory Authority or other regulators; costs of any reports, proxy statements or other notices to stockholders, including printing costs; the Company's allocable portion of the fidelity bond, directors and officers/errors and omissions liability insurance, and any other insurance premiums; direct costs and expenses of administration, including printing, mailing, long distance telephone, copying, secretarial and other staff, independent auditors and outside legal costs; and all other expenses incurred by the Company, the Adviser or the Administrator in connection with administering the Company's business, including payments under the Administration Agreement between the Company and the Administrator, based upon the Company's allocable portion of the Administrator's overhead in performing its obligations under the Administration Agreement, including rent and the allocable portion of the cost of the Company's chief compliance officer and chief financial officer and their respective staffs.

For purposes of this Agreement, a "**Spin-Off transaction**" includes either a transaction whereby (a) the Company offers its stockholders the option to elect to either (i) retain their ownership of shares of the Company's common stock, or (ii) exchange their shares of the Company's common stock for shares of common stock in a newly formed entity (the "**Public Fund**") that shall elect to be regulated as a BDC under the

Investment Company Act and treated as a regulated investment company under Subchapter M of the Internal Revenue Code of 1986, as amended (the “*Public Fund Spin-Off*”); or (b) the Company completes an Exchange Listing.

3. Compensation of the Adviser.

The Company agrees to pay, and the Adviser agrees to accept, as compensation for the services provided by the Adviser hereunder, a base management fee (“*Base Management Fee*”) and an incentive fee (“*Incentive Fee*”) as hereinafter set forth. The cost of both the Base Management Fee and the Incentive Fee will ultimately be borne by the Company’s common stockholders. The Company shall make any payments due hereunder to the Adviser or to the Adviser’s designee as the Adviser may otherwise direct.

(a) The Base Management Fee shall be payable on the first day of each calendar quarter and calculated as follows:

The Base Management Fee shall be an amount equal to 0.4375% (1.75% annualized) of the Company’s average daily Gross Assets during the most recently completed calendar quarter for so long as the aggregate amount of Gross Assets of the Company as of the end of the most recently completed calendar quarter is less than \$500,000,000. For purposes of this Agreement, “*Gross Assets*” is defined as the Company’s gross assets, including assets purchased with borrowed funds or other forms of leverage, as of the end of the most recently completed fiscal quarter. If the aggregate amount of Gross Assets as of the end of the most recently completed calendar quarter is equal to or greater than \$500,000,000, but less than \$1,000,000,000, the Base Management Fee shall be an amount equal to 0.40% (1.60% annualized) of the average daily Gross Assets during the most recently completed calendar quarter. If the aggregate amount of Gross Assets as of the end of the most recently completed calendar quarter is equal to or greater than \$1,000,000,000, the Base Management Fee shall be an amount equal to 0.375% (1.50% annualized) of the average daily Gross Assets during the most recently completed calendar quarter.

The Base Management Fee shall be appropriately prorated for any partial month or quarter.

(b) The Incentive Fee shall consist of two parts, as follows:

(i) (A) The first part (the “*Income Incentive Fee*”) shall be calculated and payable quarterly in arrears based on the Pre-Incentive Fee net investment income for the immediately preceding fiscal quarter. Payments based on Pre-Incentive Fee net investment income shall be based on the Pre-Incentive Fee net investment income earned for the quarter. For this purpose, “*Pre-Incentive Fee net investment income*” means interest income, dividend income and any other income (including any other fees, such as commitment, origination, structuring, diligence, managerial and consulting fees or other fees that the Company receives from portfolio companies) accrued by the Company during the fiscal quarter, minus the Company’s operating expenses for the quarter (including the Base Management Fee, expenses payable under the Administration Agreement, and any dividends paid on any issued and outstanding preferred stock, but excluding the Incentive Fee). Pre-Incentive Fee net investment income includes, in the case of investments with a deferred interest feature (such as original issue discount, debt instruments with pay in kind interest and zero coupon securities), accrued income the Company has not yet received in cash; *provided, however*, that the portion of the Income Incentive Fee attributable to deferred interest features shall be paid, only if and to the extent received in cash, and any accrual thereof shall be reversed if and to the extent such interest is reversed in connection with any write off or similar treatment of the investment giving rise to any deferred interest accrual, applied in each case in the order such interest was accrued. Such subsequent payments in respect of previously accrued income shall not reduce the amounts payable for any quarter pursuant to this Section 3(b)(i)(A). Pre-Incentive Fee net investment income does not include any realized capital gains, realized capital losses or unrealized capital appreciation or depreciation.

(B) Pre-Incentive Fee net investment income, expressed as a rate of return on the value of the Company’s net assets (defined as total assets less liabilities) at the end of the immediately

preceding fiscal quarter, shall be compared to a “hurdle rate” of 2.0% per quarter (8.0% annualized). The Company shall pay the Adviser an Income Incentive Fee with respect to the Company’s Pre-Incentive Fee net investment income in each calendar quarter as follows: (1) no Income Incentive Fee in any calendar quarter in which the Company’s Pre-Incentive Fee net investment income does not exceed the hurdle rate of 2.0%; (2) 80% of the Company’s Pre-Incentive Fee net investment income with respect to that portion of such Pre-Incentive Fee net investment income, if any, that exceeds the hurdle rate but is less than 2.667% in any calendar quarter (10.668% annualized) (the portion of the Company’s Pre-Incentive Fee net investment income that exceeds the hurdle but is less than 2.667% is referred to as the “catch-up”; the “catch-up” is meant to provide the Adviser with 20.0% of the Company’s Pre-Incentive Fee net investment income as if a hurdle did not apply if the Company’s Pre-Incentive Fee net investment income exceeds 2.667% in any calendar quarter (10.668% annualized)); and (3) 20.0% of the amount of the Company’s Pre-Incentive Fee net investment income, if any, that exceeds 2.667% in any calendar quarter (10.668% annualized) payable to the Adviser (once the hurdle is reached and the catch-up is achieved, 20.0% of all Pre-Incentive Fee net investment income thereafter is allocated to the Adviser);

provided that, until the consummation of a Spin-Off transaction, in the event that (a) the sum of the Company’s cumulative net realized losses since the date of the Company’s election to be regulated as a BDC exceeds 2.0% of the total non-control/non-affiliate investments made by the Company since the date of the Company’s election to be regulated as a BDC through the end of the quarter and (b) the Pre-Incentive Fee net investment income adjusted to include any realized capital gains and losses (“*Adjusted Pre-Incentive Fee net investment income*”), expressed as an annualized rate of return on the value of the Company’s average daily net assets (defined as total assets less liabilities), since the Company’s election to be regulated as a BDC through the end of the quarter is less than 10%, no Income Incentive Fee shall be payable for such quarter until the first subsequent quarter in which either (x) the sum of the Company’s cumulative net realized losses since the date of the Company’s election to be regulated as a BDC is equal to or less than 2.0% of the total non-control/non-affiliate investments made by the Company since the date of the Company’s election to be regulated as a BDC through the end of such subsequent quarter or (y) the Adjusted Pre-Incentive Fee net investment income, expressed as an annualized rate of return on the value of the Company’s average daily net assets (defined as total assets less liabilities), since the Company’s election to be regulated as a BDC through the of the end of the quarter equals or exceeds 10%; *provided, however*, that in no event shall any Income Incentive Fee be payable for any prior quarter after the three-year anniversary of the end of such quarter.

(C) The Income Incentive Fee shall be payable in connection with a Public Fund Spin-Off as follows. The Income Incentive Fee shall be calculated as of the date of the completion of the Public Fund Spin-Off and shall equal the amount of Income Incentive Fee that would be payable to the *Adviser* if (1) all of the Company’s investments were liquidated for their current value and any unamortized deferred portfolio investment-related fees would be deemed accelerated, (2) the proceeds from such liquidation were used to pay all of the Company’s outstanding liabilities, and (3) the remainder were distributed to the Company’s stockholders and paid as Incentive Fee in accordance with the Income Incentive Fee described in clauses (1) and (2) above for determining the amount of the Income Incentive Fee; *provided, however*, that in no event shall the Income Incentive Fee paid in connection with the completion of the Public Fund Spin-Off (x) include the portion of the Income Incentive Fee attributable to deferred interest features of a particular investment that is not transferred pursuant to the Public Fund Spin-Off until such time as the deferred interest is received in cash, or (y) exceed 20% of the Company’s Pre-Incentive Fee net investment income accrued by the Company for the fiscal quarter as of the date of the completion of the Public Fund Spin-Off. The Company shall make the payment of the Income Incentive Fee paid in connection with the completion of the Public Fund Spin-Off in cash on or immediately following the date of the completion of the Public Fund Spin-Off. After the Public Fund Spin-Off, all calculations relating to the Incentive Fee payable shall be made beginning on the day immediately following the completion of the Public Fund Spin-Off without taking into account the exchanged shares of the Company’s common stock (or contributions, distributions or proceeds relating thereto).

(ii) (A) The second part of the Incentive Fee (the “*Capital Gains Fee*”) shall be determined and payable in arrears as of the end of each calendar year (or upon termination of this Agreement as set forth below), commencing with the calendar year ending December 31, 2016, and shall equal 20.0% of the Company’s aggregate cumulative realized capital gains, if any, from the date of the Company’s election to be regulated as a BDC through the end of the relevant calendar year, computed net of aggregate cumulative realized capital losses and aggregate cumulative unrealized capital depreciation through the end of such year, less the aggregate amount of any previously paid Capital Gains Fee. For purposes of this Section 3(b) (ii), the Company’s “aggregate cumulative realized capital gains” shall not include any unrealized appreciation. If such amount is negative, then no Capital Gains Fee shall be payable for such year. In the event that this Agreement shall terminate as of a date that is not a calendar year end, the termination date shall be treated as though it were a calendar year end for purposes of calculating and paying a Capital Gains Fee.

(B) The Capital Gains Fee shall be payable in respect of the exchanged shares of the Company’s common stock in connection with the Public Fund Spin-Off and shall be calculated as of the date of the completion of the Public Fund Spin-Off as if such date were a calendar year-end for purposes of calculating and paying the Capital Gains Fee.

(c) No Income Incentive Fee or Capital Gains Fee shall be payable in connection with the Public Fund Spin-Off unless, on the date of the completion of the Public Fund Spin-Off, the sum of the Company’s (i) Pre-Incentive Fee net investment income and (ii) realized capital gains less realized capital losses and unrealized capital depreciation from the date of the Company’s election to be regulated as a BDC through, and including, the date of the completion of the Public Fund Spin-Off, is greater than 8% of the cumulative net investments made by the Company since its election to be regulated as a BDC.

4. Covenants of the Adviser.

The Adviser covenants that it shall remain registered as an investment adviser under the Advisers Act so long as the Company maintains its election to be regulated as a BDC under the Investment Company Act. The Adviser agrees that its activities shall at all times be in compliance in all material respects with all applicable federal and state laws governing its operations and investments.

5. Limitations on the Employment of the Adviser.

The services of the Adviser to the Company are not exclusive, and the Adviser may engage in any other business or render similar or different services to others including, without limitation, the direct or indirect sponsorship or management of other investment based accounts or commingled pools of capital, however structured, having investment objectives similar to those of the Company, so long as its services to the Company hereunder are not impaired thereby, and nothing in this Agreement shall limit or restrict the right of any manager, partner, officer or employee of the Adviser to engage in any other business or to devote his or her time and attention in part to any other business, whether of a similar or dissimilar nature, or to receive any fees or compensation in connection therewith (including fees for serving as a director of, or providing consulting services to, one or more of the Company’s portfolio companies, subject to applicable law). So long as this Agreement or any extension, renewal or amendment remains in effect, the Adviser shall be the only investment adviser for the Company, subject to the Adviser’s right to enter into sub-advisory agreements. The Adviser assumes no responsibility under this Agreement other than to render the services called for hereunder. It is understood that directors, officers, employees and stockholders of the Company are or may become interested in the Adviser and its affiliates, as directors, officers, employees, partners, stockholders, members, managers or otherwise, and that the Adviser and directors, officers, employees, partners, stockholders, members and managers of the Adviser and its affiliates are or may become similarly interested in the Company as stockholders or otherwise.

6. Responsibility of Dual Directors, Officers and/or Employees.

If any person who is a manager, partner, officer or employee of the Adviser or the Administrator is or becomes a director, officer and/or employee of the Company and acts as such in any business of the Company, then such manager, partner, officer and/or employee of the Adviser or the Administrator shall be deemed to

be acting in such capacity solely for the Company, and not as a manager, partner, officer or employee of the Adviser or the Administrator or under the control or direction of the Adviser or the Administrator, even if paid by the Adviser or the Administrator.

7. Limitation of Liability of the Adviser; Indemnification.

The Adviser (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Adviser, including without limitation its sole member) shall not be liable to the Company for any action taken or omitted to be taken by the Adviser in connection with the performance of any of its duties or obligations under this Agreement or otherwise as an investment adviser of the Company (except to the extent specified in Section 36(b) of the Investment Company Act concerning loss resulting from a breach of fiduciary duty (as the same is finally determined by judicial proceedings) with respect to the receipt of compensation for services), and the Company shall indemnify, defend and protect the Adviser (and its officers, managers, partners, agents, employees, controlling persons, members and any other person or entity affiliated with the Adviser, including without limitation its members and the Administrator, each of whom shall be deemed a third party beneficiary hereof) (collectively, the “*Indemnified Parties*”) and hold them harmless from and against all damages, liabilities, costs and expenses (including reasonable attorneys’ fees and amounts reasonably paid in settlement) incurred by the Indemnified Parties in or by reason of any pending, threatened or completed action, suit, investigation or other proceeding (including an action or suit by or in the right of the Company or its security holders) arising out of or otherwise based upon the performance of any of the Adviser’s duties or obligations under this Agreement or otherwise as an investment adviser of the Company. Notwithstanding the preceding sentence of this Section 7 to the contrary, nothing contained herein shall protect or be deemed to protect the Indemnified Parties against or entitle or be deemed to entitle the Indemnified Parties to indemnification in respect of, any liability to the Company or its security holders to which the Indemnified Parties would otherwise be subject by reason of criminal conduct, willful misfeasance, bad faith or gross negligence in the performance of the Adviser’s duties or by reason of the reckless disregard of the Adviser’s duties and obligations under this Agreement (as the same shall be determined in accordance with the Investment Company Act and any interpretations or guidance by the SEC or its staff thereunder).

8. Effectiveness, Duration and Termination of the Agreement.
